The authors, Suriya, J., Bharathi Raja S, Sekar, V. and Rajasekaran. R., have requested the retraction of their article titled "Biosynthesis of silver nanoparticles and its antibacterial activity using seaweed *Urospora* sp." which was published in Vol. 11(58), pp. 12192-12198, 19 July, 2012, DOI: 10.5897/AJB12.452, from the journal's website and publisher's database.

The retraction is based on the complaint that the data contained in the article was used without due permission. Based on this, I Suriya, J., kindly requests the journal to remove the paper at the earliest to avoid further inconvenience to the owners of the data.

Suriya, J. is deeply sorry for any inconvenience this may have caused to the editorial staff, readers, co-author and other researchers.

To further stop any complication from the viewership and distribution of this manuscript, the African Journal of Biotechnology is retracting the article in its entirety with the consent of Suriya, J..
